Wireless hairstraightener and curler

Curler

- 19mm in diameter

Hairstraightener

- Solid black ceramic plates provide a better distribution of heat, creating a smoother, flawless finish to the hair and longer lasting results
- The plates lock in the hair's natural oils which retains colour for longer and reduces static build-up

Generally

- Wireless - straightens or curls the hair after only heat-up once fully heated
- Highest temperature: 230° degrees Celcius
- Rubberized for comfortable grip
- PTC heater for fast heat up
- Rubberized charging base
